

GENERAL INSTRUCTIONS

- 1) This passport is the property of the registry which retains the right to recall it at any time and for any reason.
- 2) The passport can be used for internal and international transportation. Each authority requesting this document must confirm the identity of the horse from the markings contained in this passport.
- 3) This passport is issued to ensure that the horse can be identified and the information herein was obtained from the corresponding registry.
- 4) The passport is not a certificate of ownership or an export certificate.
- 5) The passport is valid for the horse's lifetime.
- 6) Damage to the spine invalidates the passport. Damaged passports must be returned to the registry that issued the passport.
- 7) Loss of passport must be reported immediately to the Issuing Registration Authority.
- 8) This passport must be returned to the registry in the event of:
 - a. Change of color or markings of the horse
 - b. Gelding
 - c. Death of the horse
 - d. Need additional pages added in any section
- 9) Upon change of ownership, the new Owner is to certify on page 6 that the markings on the horse match those described in the passport.
- 10) The horse corresponding to this passport must comply with the health requirement of the country of origin and with the health requirements of the destination country.
- 11) Prior to the horse's permanent exportation, an export certificate must be requested from the current registration authority. Appropriate documentation will then be forwarded to the registry office of the receiving country.
- 12) While the Arabian Horse Association believes the information contained in this passport to be correct, it cannot guarantee the accuracy in particular where it is dependent on information supplied to them. The Arabian Horse Association cannot accept liability for any loss resulting from errors that may arise.
